#### **Project Applicant**

I confirm that:

- I meet the eligibility criteria for the grant I am applying for.
- I am a member of WA Museum staff or a research associate applying on behalf of the WA Museum.
- I confirm that I do not owe any reports or money to the Foundation for the WA Museum as a result of previous funding or grants.
- I have the appropriate level of insurance for the activities that are subject of this grant application.
- I agree to notify the Foundation for the WA Museum immediately should I receive alternative funding for the project that is subject to this application, or if my eligibility against the stated criteria changes in any way.

Signature	
Date	

# Section B to be reviewed and signed by the Head of Section, Head of Department and WA Museum CEO.

#### **Funding Conditions**

I/we certify that all the information given in this application is correct, and I/we will accept the decision of the Foundation for the WA Museum as final.

I/we certify that this project directly supports the WA Museum's strategic objectives as per the current strategic plan and that this project does not fall within the current WA Museum budget.

I/we commit to supporting the primary applicant in meeting the following grant conditions if this project is funded by the Foundation:

- Reviewing drafts of written material to be used by the Foundation.
- Provide progress reports and a final acquittal report outlining the outcomes of the project as per the grant agreement.
- Ensure the project is delivered with the agreed outcomes within the agreed time period.
- Provide content and participate in content creation for traditional, digital and social media opportunities.
- Acknowledge the Foundation for the WA Museum in all media articles, publications and promotional material related to the funded project, in a manner agreed by both parties.

By signing the appropriate section below, you confirm that you have approved and endorse the above application to be submitted to the Foundation for the WA Museum for grant consideration and commit to supporting the project delivery as per the application.
